OFF TRACK REVIEW

Several changes were made to the committee, with some new faces coming on board. Regular monthly club committee meetings were held during the year, as the club strove to move forward, even though it was apparent that not all committee members were working in conjunction with each other. Linda Turnbull was elected as Secretary, with Mike Hack moving to fill the vacant Development Officer's position. Geoff Turnbull took on the Treasurer's post, whilst Alan Farrell took up the newly created Track Curator role. Lee Phillips filled the vacant post of Welfare Officer, with Will Evans taking the Tuesday night practice sessions.

Having waited for 5 years for our planned facilities re-development, due to the promised funding from Sport England and British Cycling not materialising, the club took the decision to apply to other funders for smaller grants and carry out the re-development in smaller steps. This was successful with funding from Wigan Council's Community Chest and Grassroots Grants enabling the club to purchase three good quality steel containers to replace the old ones. Hard work by a dedicated core of club volunteers saw the track surface re-laid to provide the best racing strip ever seen at Gin Pit, the seating banks refurbished, the catering cabin kitted out inside and new team shirts purchased.

The club's progress was temporarily interrupted by unprecedented levels of vandalism and malicious comments posted whenever new facilities were installed. However, the resolve of club members overcame these attacks, as we improved our facilities immensely to increase the value of our assets and won widespread praise for our excellent British Individual Finals promotion.

We welcomed a new sponsor in Tayban Development and retained J. Fisher & Sons and Hypnotherapy4you as sponsors. The club turned over a club record sum of £12,500 and made a modest surplus on the year. This was largely due to the grants received, sponsorship monies and income generated from refreshment sales at our excellently promoted four major events.

The website continues to be a valuable information and promotional portal for the club. Plenty of professional standard press releases were issued and press coverage was good. The club continued to enhance its reputation as it continued to build up its contacts within the Wigan Borough. Club founder member Mike Hack was recognised during the year, in receiving a British Cycling Event Official Award, as well as winning both the Wigan Sports Coach of the Year and the Gt. Manchester Sports Coach of the Year Awards. The club finished the season with a record level of 17 regular officials / volunteers and continued to be a well organised set-up.

The club successfully promoted the Northern Individual Championships, British Youth & Junior League National Round 1, Women's League Round 3 and the British Individual Finals. The club looks forward to promoting the British Team Finals in 2011.

ON TRACK REVIEW

The winter departure of the majority of riders who had made up the previous season's 1st team forced the club to withdraw from the Northern League Division 1. This was quickly followed by riders declaring themselves to be unavailable to compete in the Northern Combination Division, resulting in the team pulling out after riding two matches.

This situation enabled the club to further its efforts on recruiting and coaching of youngsters, rather than expend energy in chasing up riders to make up teams to fulfill league commitments. This was shown with high numbers of riders regularly turning out at club training nights and 48 riders (albeit including some from visiting clubs) competing in the North West Go-Race Grand Prix series.

The club continued to cater for a wide range of rider (and parental) requirements, with some prepared to train and / or compete at Gin Pit only, some prepared to turn out on mid week nights only, some prepared to travel no further than Bury and Stockport, through to those who wished to train and race on a regular basis both in regional and national competitions. Riders were also able to compete in Manchester League Division 1 events, to enable riders to compete in some senior matches.

Some good results were recorded at junior levels, with the club finishing 3rd in the Northern section of the British Youth & Junior League, 2nd in the Northern Junior League and 2nd in the Manchester League 2nd Division. The club finished 14th in the overall British Club Championship table, an improvement on the previous season, coming in as the 2nd highest Northern club.

Individually, we had four riders who qualified for the national rounds of the British Youth & Junior League, with Max Evans finishing 3rd in the U-8 Grand Prix series. Matthew Turnbull won the U-19 Northern Grand Prix series, whilst Adam Turnbull won both the U-10 Northern Grand Prix series and the U-10 Manchester League Grand Prix series. Adam Phillips won both the U-13 Manchester League Individual Final and the U-13 Manchester League Grand Prix series.
