Review of the Year and Financial Report 2020

General discussion took place of the year's activities, both on and off the track.

Disappointment that official league season had to be abandoned after the opening day of the season, along with national and international events. Club did manage to organise club training nights for six weeks prior to lockdown and for three months after lockdown, so half a season of club sessions held, but income was well down. Club participated in staging a test event and three rounds of the Manchester Individual Grand Prix series, so the season was not a complete write-off. The Road section were able to resume group rides at the end of lockdown.

Meeting accepted the Financial Report, noting that the club holds a current account balance of £5,325. Members acknowledged a welcome Covid-19 Discretionary Grant of £2,500 from Wigan Council. Event levies paid to British Cycling for events not held in 2020 will be carried over to 2021, but BC will not refund 2020 membership and club affiliation fees paid.

OFF TRACK REVIEW

For the second successive year, the Covid-19 pandemic affected the club's activities in every way. Our activities started two months later than usual, but fortunately, we were then able to carry on until the end of the regular season. This affected revenues from sponsorship, advertising, weekly subscriptions, hire charges and catering sales, as well as committee meetings, social events, matches and club training nights. Restrictions also meant that our planned staging of the European Championships Weekend in July was postponed.

The club benefited from receiving substantial funding from several successful applications made. Young Frank White set the ball rolling with a £445 award for training equipment from the Wigan Youth Panel. Development Officer Mike Hack secured six grants, starting with one of £6,500 from Sport England's Return to Sport fund, to purchase a new cabin for changing rooms, along with furniture and Covid hygiene materials. This was followed by two grants from Wigan Council's Covid Recovery fund - £500 towards the purchase of a replacement storage cabin and £2,000 for improvements and repairs to the floodlighting system. Our new link with Access Sport's Wingz project yielded a £500 start up grant, to pay for cycling equipment and first aid courses. Finally, two grant applications, of £2,000 each, to Forever Manchester's Made by Sport Fund were both successful. The first one will fund safety netting behind the back straight seating banks, whilst the second one will fund a French drainage system in the pits area.

The club generated income of £15,702, to break even over the year, leaving a balance of £5,235.

Facility works included a full refurbishment of the kitchen, matting placed under the banks of spectator seating, renovation of the starting gates and P.A. system and new hooks installed in the bike storage cabin.

Having lost riders and volunteers during the pandemic, we embarked on a strong recruitment programme for new riders and volunteers. We hosted a series of taster sessions in conjunction with British Cycling's Go-Ride and Let's Ride Summer of Cycling programmes, Access Sport's Wingz project, MM Chinese Club and Atherton & Tyldesley Sports Association (ATSA). A total of 65 new youngsters sampled our cycle speedway activities, with 15 becoming regular club members. We have also recruited two new Candidate Level 1 coaches and a Welfare Officer, in readiness for the 2022 season.

Despite the continued obstacles placed by the pandemic, a small band of club officials and volunteers succeeded in their determined efforts to ensure that the club remains strong. We are in a good position to continue developing and prosper, once the pandemic is over and "normal" activities return.

ON TRACK REVIEW

Our club training activities began in early April, with the racing season starting in mid May, after a suspension of activities due to the Covid pandemic. Our planned hosting of the European Championships Weekend was a victim of the pandemic. National series events were reduced, but the one-off championships were all staged. The North & Scotland Region split their competitions into three sub regions, with play offs to determine the overall winners. The Manchester League ran their usual competitions.

A heavy defeat at Bury ended our hopes of making the North & Scotland League Division 1 Winners Play-Off, and we were second to them in both the Division 2 and 3 groups. We won the Division 1 Runners-up Play-Off match. We retained our Manchester League Division 1 title, but narrowly missed out on retaining the Division 2 title. We qualified for the National round of the British Youth & Junior League competition, finishing 7th in the only match at East Park.

Our riders enjoyed considerable successes in individual competitions. 17 years old Emily Burgess won the British Women's Individual Final in fine style at Horspath, and followed this up by winning the HSBC British Women's Elite Grand Prix series. Emily also raced unbeaten for the North & Scotland team which won the Women's Regional Pairs title for the third successive staging and won the Northern Women's Individual Final. Reece Pollitt took 2nd place in the HSBC Men's Elite Grand Prix Series and qualified for the British Individual Final for the third successive staging. Steve Harris was 3rd in the British o-50 Individual Final, and won both the Northern o-40 title and the Manchester League Individual Final. Frank White continued his amazing run of not having lost a race in his own age category since 2018. Frank won both the Little League's u-10 Boys Championship and u-10 Grand Prix series.

Duncan Whalley collected four individual titles in the space of a week, with wins in the Northern u-13 and u-16 Finals, and at the Manchester League u-13 and u-19 Finals. Charlie Burgess won the Manchester League u-16 Grand Prix series. Lucy Grantham won the Manchester League Women's Grand Prix series, with Matt Snell joint winner of the u-19 Grand Prix series.

Four riders represented the North & Scotland teams in the Battle of Britain series – Emily Burgess, Lucy Grantham, Steve Harris and Reece Pollitt.

A&T rounded off the season by staging a new four round Ladder Individual series, which was well received by all who participated in it.

Points Allocation. Points will be allocated as per Technical Regulation 9.26.4

The various outdoor British National Club Championship Events shall be combined to produce an overall annual British National Club Champion. Points shall be awarded in each Event on the basis of 25 points to the winner, 20 points for second place, 18 points for third place, 16 points for fourth place, 14 points for fifth place, then reducing by one point per place to one point for 16th place. Clubs failing to reach the Final shall receive equal points according to their finishing position in the qualifying rounds, e.g. first non-qualifiers in two Semi-finals shall be joint fifth, second non-qualifiers shall be joint seventh etc.

For the Overall Club Championship standing, only the top placed team from each club will score points, however they will count in that category ranking, for example: 1st Club A Team A – 25pts; 2nd Club B Team A – 20pts; 3rd Club A Team B – 0pts; 4th Club C Team A – 16pts.

OTHER ACTIVITIES REVIEW

LEISURE SECTIONS

Following a change in insurance and compliance requirements with British Cycling at the start of the year, the club disbanded its Leisure sections, as the Committee considered the conditions to be too restrictive. Consequently, the club's policy changed to sign post interested riders to participate in informal friends leisure rides, or rides organised by other groups not directly connected with the club. This applies to road, off road trail and mountain bike rides.

OTHER DISCIPLINE COMPETITIONS

These were again curtailed during the year, but some of our riders did get racing in mountain bike cross country, track, closed circuits and cyclo-cross events. Tom Morrissey set up a new 14 year old Flying 200m sprint record at the Manchester Velodrome.

SOCIAL EVENTS

We were able to resume our end of season Bonfire and Fireworks evening, followed by our Annual Presentation and Social event.
