THE NORTH'S REGIONAL CYCLE SPEEDWAY CENTRE

AN INTRODUCTION TO THE

ASTLEY & TYLDESLEY CYCLE SPEEDWAY CLUB

The Astley & Tyldesley Cycle Speedway Club was formed in November 1989. Club members raised funds and built the race track themselves at the Miners' Welfare Club, Gin Pit. The track was officially opened in April 1991 by the Mayor of Wigan.

Since then, the club has continued to develop the facilities to the extent that in March 1997 we were afforded the status of the North's Regional Centre by the British Cycle Speedway Council, then the sport's governing body. We regularly host major events, including the 1996 Golden Jubilee British Individual Finals, the 1998, 2000 and 2001 British Team Finals, and have received touring teams from Holland and Australia. Our biggest promotional event to date was our successful hosting of the 2003 World Team Cup.

On the track, in addition to our own squad of riders registered each season with British Cycling, many more take advantage of our weekly open club training nights. Successes include thirteen British Individual title winners to date, all recruited and trained by the club's coaches. We won the British U-16 Team Championships in 1997 and have won the Manchester League Division 1 on four occasions, the Northern Junior League on five occasions, plus a host of other team honours. In recent seasons, we have been strengthening our 1st Team and have been successful in recruiting and retaining top Polish riders as well as two British Indoor Individual Champions to the club. Currently, our 1st Team race in the Northern League. We are looking for financial support to ensure that we can continue to retain top quality riders for the 1st Team and to support local junior riders for our 2nd Team. We currently have around 60 club members.

Since the merger of various cycling bodies into British Cycling, we are seeking to expand our membership by organising off road, leisure cycling activities, using the club's facilities as a base. We have the prestigious Sport England Clubmark accreditation, which means that we meet their demanding standards for being a quality club. We are also a Go-Ride club, which means that we meet British Cycling's standards for being an accredited 'Junior Friendly' club. We are also the North West Cycle Speedway Academy, one of the venues used by British Cycling for training their Talent Team riders in sprint disciplines.

Off the track, we are continuing to develop our management and support to further ensure the long term viability and success of the club. We are looking to increase our number of backers, with all proceeds ploughed back into the club to further develop our facilities and equipment to enable riders to compete in as many events as appropriate.

The next few pages outline the various levels of support which we are looking to obtain from local companies. I do sincerely hope that you feel able to support the club and gain satisfaction and enjoyment from doing so.

Mike Hack
Development Officer

ASTLEY & TYLDESLEY CYCLE SPEEDWAY CLUB

SPONSORSHIP OPPORTUNITIES

FULL (SOLE) CLUB SPONSORSHIP

We are looking to secure a package over 3 years, whereby the sponsor provides clothing in the form of cycling jerseys and trousers for the riders, jackets for riders and officials, a cash sum to contribute towards operating costs and/or any other benefits that the sponsor can provide. We are looking for a package in the region of £1,000 per annum.

In return, we can offer the sponsor :-

Advertising on cycle jerseys and jackets.

Sponsor's name incorporated into the club name.

Free full page advertisement in club match programmes.

Free advertisement on the club's website.

Valuable publicity in regular local and regional press reports; club, national and international cycling internet websites.

Goodwill, from supporting a well organised and prominent sports club.

Hospitality at club functions and on match days.

Free trackside advertising (sponsor to supply banner or board).

Increased use of the sponsor's goods or services.
